

## STRAIGHT RACING

Competition is open to any Windsprites (longhair or smooth) and % Windsprites (50% or greater Windsprite). These dogs may be intact or altered.

LGRA rules will be utilized. Here is the link to the rulebook: <http://www.lgra.org/node/4050>

The hound must be one year of age to participate in an Official Meet.

Hounds who are 9+ years of age may enter the Veteran class.

The Veteran class is divided into hounds 9 to <12 years of age and hounds 12+ years of age (Senior Veteran).

The Race Secretary must order a qualifying run with or without other hounds for any hound which 1) has only Disqualified, Did Not Finish, or Off Course on his racing record, 2) or was Disqualified at its most recent meet, or 3) has not previously raced at an IWC official meet, i.e., the hound is First Time Entered (FTE), with the following exception. If the hound has successfully raced in another organization and the owner signs a statement to that effect, a qualifying run will not be required. Qualifying runs may be held at Practice Races or before an Official Meet. Practice runs may be offered at Practice Races, at Official Meets between race programs, and after Official Meets.

Hounds that are qualified may enter an Official Meet. Hounds that complete the racing programs at an Official Meet will be awarded a qualifying ribbon. Placements will be determined by the number of points earned in the race programs. Best in Field rosette will be awarded to the high scoring hound. Best in Field Veteran rosette will be awarded to the high scoring veteran hound (Veteran or Senior Veteran).

There are two title tracks: Enthusiast for dogs who choose to run alone and Open for dogs who run with one to three other dogs.
