Rally competition is open to any Longhaired Whippets; Smooth Whippets of Longhaired Whippet descent; and % Longhaired Whippets (50% or greater LHW). These dogs may be intact or altered.

The following classes will be provided for Rally:

Level 1

Level 2

Level 3

TITLES:

Rally Obedience Level 1 – RO1 – earn 3 legs with qualifying scores of 70 or better

Rally Obedience Level 2 – RO2 - earn 3 legs with qualifying scores of 70 or better

Rally Obedience Level 3 – RO3 - earn 3 legs with qualifying scores of 70 or better

Rally Obedience Champion – RoCH – earn 10 additional legs in Level 3 with qualifying scores of 91 or better

UKC rules will be utilized, except that there will be separate classes for Puppies (age 6 months to less than 12 months) and Veteran Dogs (age 9 years and over).

Dogs may start at any level. Level 1, Level 2, and Level 3 titles will be offered, regardless of titles that dogs may have in other organizations.

You may enter any class F.E.O. (for exhibition only - no ribbons or placements). Once a title is completed, advancement to the next level is not required. You may continue to earn legs with a score of 70 points or better. When ten legs are earned, the number 1 is added to the title (e.g., RO1-1). When 20 legs are earned, the number 2 is added to the title (e.g., RO1-2), and so on.

“Training” in the ring WILL be permitted for dogs competing F.E.O: clickers, treats, toys allowed, but NO harsh corrections will be permitted! (Please be very careful to not drop any food on the ground which could distract another participant.)
