STRAIGHT RACING

Racing competition and Individual Runs are open to Windsprites, Smooth Windsprites, and % Windsprites (50% or greater Windsprite) over 1 year of age. Race qualifying runs, Puppy runs, and Practice runs may be available between programs or at the end of the meet (time permitting).

All dogs will be hand slipped. Muzzles and racing blankets will be worn. LGRA racing rules will be in effect.

Any hound that is First Time entered (FTE), or has only Disqualified, Did Not Finish, or Off Course on his racing record or was Disqualified at the previous meet must pass a qualifying run with or without other hounds before being entered in the Official Meet on Sunday, or must run as an individual at the competition on Sunday. Qualifying runs will be held before the first program, or between programs and after the meet on Sunday for competitions in the future.

Windsprites entered in Regular competitive races will be eligible for points toward AOK9 titles, as well as “Q’s” toward IWC titles.

All dogs must be registered with AOK9 for points toward AOK9 titles. At the meet IWC will have registration forms available, will collect all AOK9 registrations, and will submit the registrations to AOK9. AOK9 does NOT offer a Veterans program, so all Veteran races will be for IWC only. AOK9 registration is not necessary for veterans, puppies, or individual runners.

Note that Individual Runs do not qualify for Versatility or Triathlon, only success in the Competitive Racing will qualify for Versatility or Triathlon.

GENERAL INFORMATION

We ask everyone to **please** be careful to clean up after their dogs at the show sites and at the hotels, so that we will be able to use these facilities in the future.

All events will be held outdoors on grass, rain or shine.

May in SE PA and MD can be very warm or very cool and could be dry or wet. Bring appropriate attire for you and your dog for all weather conditions. Also, please bring water dishes and crates for your dogs and a chair for yourself.

All entries must be on official IWC entry forms. Entries not on official IWC entry forms, or photocopies of entry forms without the Agreement and Rules on the reverse side of the Official IWC Entry Form, are **not acceptable**.

Entry fees shall not be refunded in the event that a dog is disqualified, excused, or barred from competition. If, because of riots, civil disturbances or other acts beyond the control of the management, it is impossible to complete the shows, no refund of entry fee will be made.

Returned checks do not constitute a valid entry fee. The IWC will add a \$25.00 collection fee to the amount of each returned check. Subsequent returned checks from the same exhibitors may result in their being put on a CASH ONLY basis.

Errors on entry blanks. Owners are responsible for errors in making out entry forms, whoever may make such errors, and no entry fee will be refunded in the event of such errors.

All dogs present must be held on leash or confined to their crates except when being judged.

Judges need not wait for any dog holding up a class. Owners or agents alone are responsible for the presence of their dogs in the judging rings. Time of judging is printed in this Premium List. No further Judging schedule will be mailed.

Dogs need only be present for scheduled judging and will be released if not needed for further judging. IWC will not be responsible or obligated to furnish any service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Volunteers will be needed to help out with several events; we hope some of you will help in that capacity. Racing especially requires quite a few people in order to be held. Exhibitors (and friends and family members, when available) are expected to step up and help out.

IWC will use due care and diligence for the welfare of dogs and exhibitors, but will not be responsible for, nor assume any liability in the event of an accident or misfortune to either dogs or exhibitors, or their families participating in this show, and further assumes no responsibility for injury to children.

Note – IWC is not responsible for lost or stolen articles. Please check your grooming area before you leave.

Owners of Windsprites entered in any event at the show or show volunteer workers may also enter their own non-Windsprites FEO (for exhibition only) in any of our performance events (Agility, Rally, Racing practice runs). Entry forms are still required.
